Subject: Rimini I: Stip re MILs and Pretrial Issues

Rob,

To follow up on our meet and confer regarding the parties' motions in limine, attached is a draft stipulation regarding the exclusion of certain categories of evidence to which you indicated a willingness to stipulate.

Oracle also makes the following proposals regarding a meet and confer process for additional pretrial issues we discussed:

### 1. Exhibit Objections

### Case 2:10-cv-00106-LRH-VCF Document 761-3 Filed 09/11/15 Page 4 of 11

- On July 24, the parties will disclose a list of 100 exhibits they wish to "pre-admit" prior to trial. If either party also wishes to meet and confer regarding the use of any other exhibit or the parties' disclosed objections to that exhibit, they should disclose the issue at this time as well.
- On July 28, the parties will begin to telephonically meet and confer regarding objections that have been disclosed for the 100 exhibits.

#### 2. Deposition Designations

- On August 3, the parties will disclose any deposition testimony they wish to "pre-admit" prior to trial. If either party
  also wishes to meet and confer regarding the use of any other deposition testimony or the parties' disclosed
  objections to that testimony, they should disclose the issue at this time as well.
- On August 5, the parties will begin to telephonically meet and confer regarding objections that have been disclosed to the testimony.

#### 3. Updated Witness List & Deposition Designations

- On August 17, the parties will exchange an updated and narrower witness list. For each witness, the parties will include a "will call" or "may call" designation.
- On August 24, the parties will exchange updated and narrower deposition designations.

#### 4. Exhibit Exchange

 On August 14, the parties will exchange exhibits from their exhibit list that have been endorsed with trial exhibit numbers.

#### 5. Jury Instructions and Verdict Form

- On August 14, the parties will exchange proposed jury instructions and verdict form. The parties can then work together to finalize the proposed instructions and verdict form.
- On September 4, per Order #527, the parties will submit the proposed instructions to the court.

#### 6. Authenticity

Oracle proposes that documents produced by the parties from their own files are deemed to be authentic. If you
agree, we will send you a draft stipulation. [Rimini is generally in agreement. Please send us your proposed draft
stipulation]

Please let us know if you'd like to discuss any of these issues.

Best regards,

Nitin
